

# GRANTS AND OTHER RESOURCES

## Regional Workshop

**Friday, April 20, 2018 • 9:00 a.m. – 3:00 p.m.**

**Sittig Hall - Florida League of Cities  
The Challenger Center Tallahassee**

With limited resources available to municipalities, securing funding for important projects is always a top-of-mind issue for Florida's city officials and staff.

What resources are available from state agencies? Are you using what's accessible to local government? Participants will hear from top officials about available grants and agency resources. Ask questions about tips and seek advice from program administrators.

The afternoon session will feature opportunities to meet directly with agency representatives, who will provide information about available grants and technical assistance. Each session will include time for questions and answers.

**NOTE:** If you have previously registered online for an FLC event but cannot remember your credentials, click on the "forgot" option and the system will send an email to you with instructions to reset them. If you have trouble opening the links, we encourage you to try using the Google Chrome web browser instead of Internet Explorer, or to click on the registration link from the "Calendar" under "Events and Training." Be sure to fill out the "Badge Information" in the registration process.

The registration deadline is April 13. This workshop is free to FLC member cities. Online registration is required by the deadline to guarantee a seat and a lunch. We cannot guarantee reservations after the cutoff date. To register, [click here](#). Email [Jan Piland](#) if you need more information.

Parking is available in the Kleman Parking garage. Enter through the garage entrance at 200 S. Duval Street. The Challenger Center is located on the plaza level across from Sittig Hall and the FLC Office.
