# TIPS FOR VIDEO SUCCESS

---

Please review the tips below, which were created from comments made by previous judges.

 **The video should not be professionally made. Rather, it should be made by youth.**

 **Pay close attention to the volume of the orators and music, and ensure volume is constant throughout.**

 **Don't make the entire video a voiceover. Instead, show as many youth council members as possible.**

 **Carefully read the instructions to ensure your subject matter reflects the topic. Also, pay close attention to the application rules regarding music.**

 **Be creative!**
