

9-1-1 EMERGENCY COMMUNICATION SYSTEM - TECHNICAL ASSISTANCE

PROGRAM DESCRIPTION

The Statewide 9-1-1 Coordinator has responsibility for the statewide coordination of 9-1-1/E9-1-1 services per Chapter 365.171, Florida Statutes. These responsibilities include:

- Maintaining the State of Florida E9-1-1 Emergency Communications Number E9-1-1 State Plan.
- Coordinating effective delivery of 9-1-1/E9-1-1 services statewide by providing technical assistance to Florida's municipalities for:
 - Review of 9-1-1 systems.
 - Engineering assistance in establishing 9-1-1 emergency communication systems.
 - Recommendations for new and old systems.
 - Inspection of systems for compliance to state standards.

ELIGIBLE APPLICANTS
