

EXPEDITED PERMITTING REVIEW PROCESS

PROGRAM DESCRIPTION

This program creates an expedited permitting review process for certified projects that create jobs which have a significant economic impact.

ELIGIBLE APPLICANTS

Businesses creating and retaining jobs; projects may also be referred by units of local government, Enterprise Florida, the Rural Economic Development Initiative (REDI), and local brownfield coordinators.

TYPE OF ASSISTANCE

Expedited review of permit applications by state, regional and local agencies; technical assistance is available to small rural municipal and county governments.
