

Grants Assistance Program

FREQUENTLY ASKED QUESTIONS

Why is FLC partnering with Euna Solutions?

The FLC has selected Euna Solutions as its premiere grants management partner to provide member cities with grant research and training opportunities as well as valuable cost savings for assistance with application writing and grant management. Euna Solutions' extensive experience in grants management—led by Certified Grants Management Specialists and software designed by former practitioners—provides the best grants solution for FLC members.

How do I sign my city up for this program?

Cities can easily sign up for access and support online. Visit our [Registration Page](#).

How many user licenses can my city have?

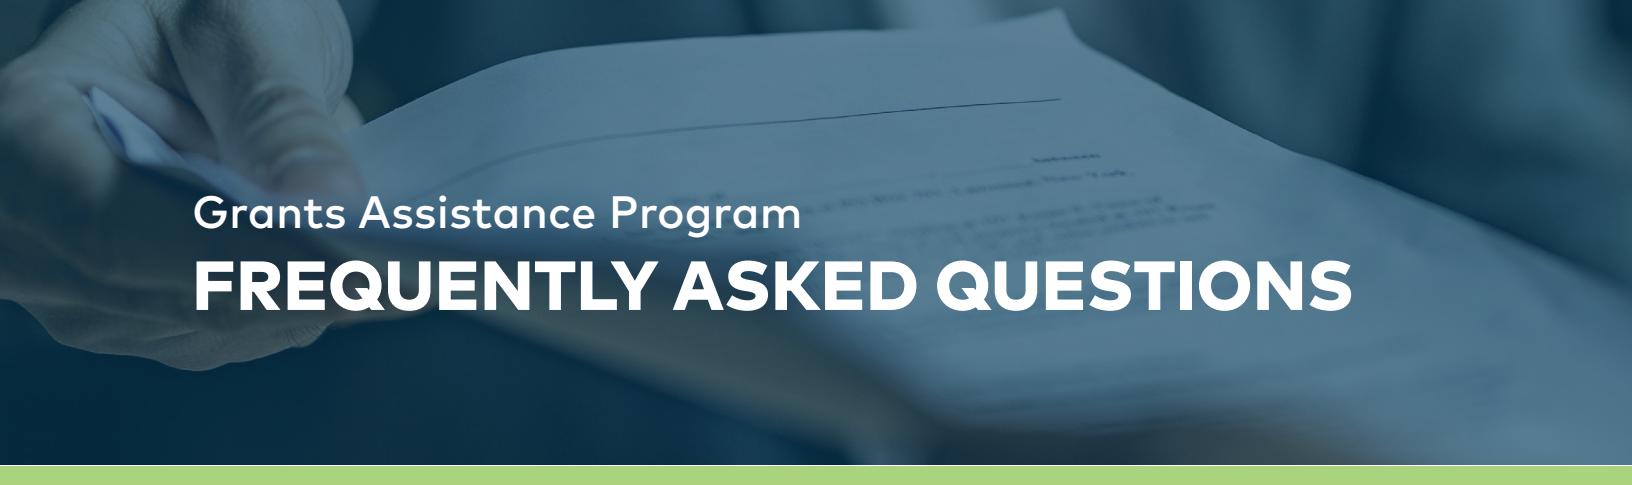

Licenses are based on population:

Population	Licenses
1 - 49,999	2 licenses
50,000 - 99,999	7 licenses
100,000 - 149,999	10 licenses
150,000+	15 licenses

What if my city needs additional licenses?

Additional licenses can be purchased at \$250 each. Contact the [FLC Grant Coordinator](#) for this option.

FREQUENTLY ASKED QUESTIONS

What additional services are available through Euna Solutions?

Euna Solutions offers the software and support led by Certified Grants Management Specialists to manage the full lifecycle of grants (pre-award, post-award, and subrecipient management), as well as indirect cost allocation software and services and integration with your current financial system.

How do I learn more about additional grant management services?

Euna Solutions offers additional grant management services that are discounted for FLC members. Contact the *FLC Grant Coordinator* for services and pricing available.

What types of grants are curated within Euna Solutions?

Euna Solutions has more than 10,000 professionally curated federal, state, and foundation grants. These grants are curated in the U.S. in compliance with the Buy American Act.

How do I get system training?

Euna Solutions offers system training and refresher training for any FLC member that is interested. Contact the *FLC Grant Coordinator* for more information and training times.

What services can the grant coordinator assist my city with?

The FLC Grant Coordinator can assist with system training, grant research, grant policies, and reviewing additional Euna Solutions services.
