

Florida League of Cities Social Media Policy

Purpose

FLC's social media exists to support the League's mission and goals.

Comment Moderation Policy

Comments or content containing any of the following will not be allowed and may be removed without notice for FLC or any of the affiliate association social media accounts:

- Comments not topically related to the particular post being commented upon
- Comments in support of or opposition to political campaigns or ballot measures that are not consistent with adopted board positions
- Profane, vulgar, or obscene language or content
- Threats, harassment, bullying, or intimidation directed at any individual or group
- Content that promotes, fosters, or perpetuates discrimination on the basis of race, creed, color, age, religion, gender, gender identity or expression, marital status, national origin, physical or mental disability, sexual orientation, or veteran status
- Hate speech or slurs targeting any individual or group
- Sexual content or links to sexual content
- Misinformation, disinformation, or deliberately misleading content related to FLC, its members, or municipal operations
- Spam, phishing attempts, solicitations of commerce, or bot-generated content
- Conduct or encouragement of illegal activity
- Information that may compromise the safety or security of the public, public systems, or any individual (including doxxing or sharing personal information without consent)
- Content that violates intellectual property or legal ownership interests of any other party
- Content that contains confidential or proprietary information about the League, its employees, members, or vendors
- Content that violates another person's right to privacy

FLC reserves the right to restrict, hide, or remove any content deemed in violation of this policy or any applicable law. Repeat violators may be blocked from FLC's social media platforms. This policy applies across all social media platforms where FLC maintains an official presence, including the affiliate associations we administer.
