

Florida League of Cities
**2026 ANNUAL
CONFERENCE**

August 13-15, 2026

The Diplomat
Hollywood, FL

**Conference at a Glance &
Exhibitor/Sponsor Directory**

GENERAL INFORMATION

This booklet contains the general schedule and locations for all conference activities, as well as the exhibitor and sponsor directory. For detailed information on workshop content and speakers, please visit flcities.com/annualconference or scan the QR code.

Name Badges

Name badges are **required for registrants and guests** for entrance into all conference events, including workshops, general sessions, networking events, and the exhibit hall. Staff will be checking badges at the entrances to all functions. If you lose your badge, please visit the main registration desk in Great Hall Foyer on the third floor, or the satellite registration table located near Atlantic Ballroom on the second floor.

Self-Scanning Stations

Self-scanning stations will be located outside of each educational session. This will help us better understand what topics are popular with our members so that we can bring you the best possible educational experience. Please scan your badge's QR code using the iPad outside each room upon entering a session. If you have any questions, ask for one of the technology staff at the registration desk.

Wireless Internet Instructions

1. Connect to the network: **Convention_Wireless**
2. Enter the password: **FLC2026**

NOTE: The number of connections is limited, so **if you are not actively using the network, please log out**. Anyone with an unlimited data plan is encouraged to use it instead of the wireless network. Also note that the wireless network will not work inside the exhibit hall.

2026 MUNICIPAL ACHIEVEMENT AWARD WINNERS

The Municipal Achievement Awards program highlights innovation and excellence in municipal government. Hosted annually, the program awards superior efforts in four categories: **Economic Advancement, Environmental Stewardship, Local Action, and Public Engagement.**

Economic Advancement Award

City of Oakland Park Downtown Revitalization Through Public-Private Partnerships

The Economic Advancement Award recognizes a municipal program that strengthens the local economy. The City of Oakland Park's Sky Building and Horizon downtown revitalization initiatives leveraged public-private partnerships and strategic land-use modernization to transform a constrained downtown into a thriving mixed-use district.

Environmental Stewardship Award (TIE)

Cities of Fort Myers and Cape Coral Caloosahatchee Connect

The Environmental Stewardship Award celebrates environmental leadership and sustainability, and this year the League recognized two projects. The Cities of Fort Myers and Cape Coral were honored for Caloosahatchee Connect, a water-reuse partnership that protects the Caloosahatchee River while expanding Florida's water supply.

Town of Longboat Key The Living Seawall

The Town of Longboat Key was also recognized for its Living Seawall Project at Bayfront Park, which converted approximately 300 feet of traditional vinyl seawall into a habitat-enhancing living shoreline using 350 eco-engineered concrete panels modeled on natural coastal environments.

Local Action Award

City of Tavares

Public Works Transportation Training and Innovation Center

The Local Action Award honors a single, citywide effort that meets a specific local need. The City of Tavares received the award for the Public Works Transportation Training and Innovation Center (PWTTIC), the nation's first facility dedicated to advanced training for public works and emergency vehicle technicians.

Public Engagement Award

City of Tallahassee

The Longest Table

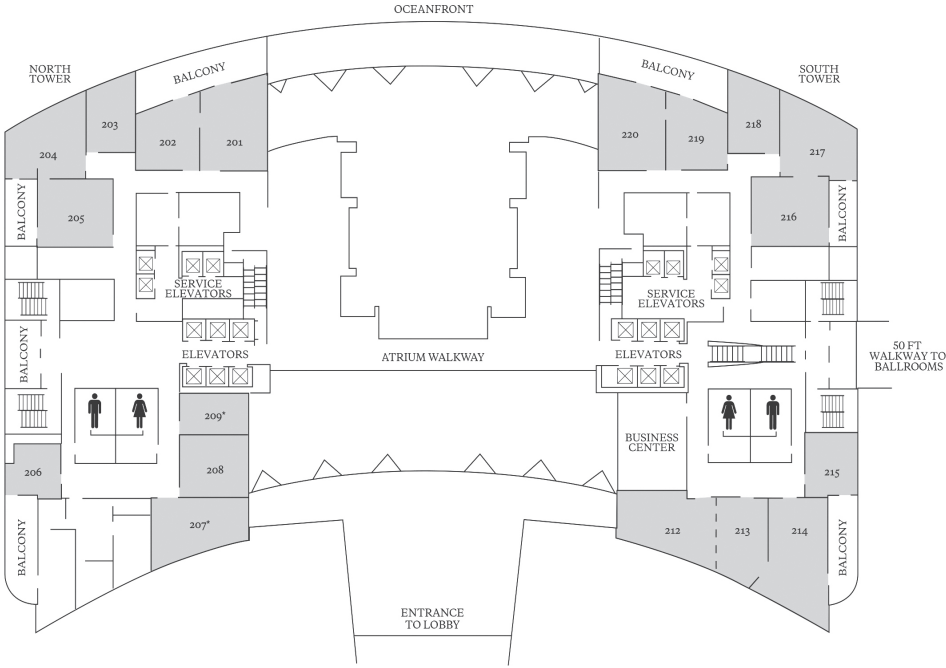

The Public Engagement Award highlights programs that enhance transparency, civic participation, and public trust. The City of Tallahassee earned the award for The Longest Table, a community-building initiative that brought together more than 1,000 residents for shared conversation, when Duval Street was transformed into a single continuous dining space.
